# **Project Planning Phase**

Project Planning Template (Product Backlog, Sprint Planning, Stories, Story points)

| Date          | 23 October 2022                   |
|---------------|-----------------------------------|
| Team ID       | PNT2022TMID31521                  |
| Project Name  | Skill/Job recommended application |
| Maximum Marks | 8 Marks                           |

### **Product Backlog, Sprint Schedule, and Estimation (4 Marks)**

Use the below template to create product backlog and sprint schedule

| Sprint   | Functional<br>Requirement (Epic) | User<br>Story<br>Number | User Story / Task   | Priority | Acceptance criteria                              | Team Members                 |
|----------|----------------------------------|-------------------------|---|----------|--|------------------------------|
| Sprint-1 | UI Design                        | USN-1                   | As a user, I can see and experience an awesome user interface in the website                              | Medium   | Better Impression about a website                | Jashima Fathima<br>,Jaishree |
| Sprint-1 | Registration                     | USN-2                   | As a user, I can register for the application by entering my email, password, and confirming my password. | High     | I can access my account I dashboard              | Gethara Gowri,<br>Dhansree   |
| Sprint-1 |                                  | USN-3                   | As a user, I can register for the application through Gmail   | Medium   | I can receive confirmation email & click confirm | Neha,Jashima<br>Fathima      |
| Sprint-1 | Login                            | USN-4                   | As a user, I can log into the application by entering email & password                                    | High     | I can access my account I dashboard              | Jaishree,Gethara Gowri       |
| Sprint-! | Flask                            | USN-5                   | As a user, I can access the website in a second   | High     | I can access my account I dashboard              | Neha,Dhansree                |

| Sprint   | Functional<br>Requirement (Epic) | User<br>Story<br>Number | User Story / Task   | Priority | Acceptance criteria                      | Team Members                                    |
|----------|----------------------------------|-------------------------|---|----------|--|---|
| Sprint-1 | Dashboard                        | USN-6                   | As a user, If I Logged in correctly, I can view my dashboard and I can navigate to any pages which are already listed there.        | High     | I can access all the pages/<br>dashboard | JashimaFAthima,<br>Jaishree,Neha                |
|          |                                  |                         | Submission Of Sprint-1  |          |  |   |
| Sprint-2 | User Profile                     | USN-7                   | As a user, I can view and update my details   | Medium   | I can modify my details/data             | Dhanshree,<br>Gethara Gowri                     |
| Sprint-2 | Database                         | USN-8                   | As a user, I can store my details and data in the website w   | Medium   | I can store my data                      | Jashima Fathima,<br>Jaishree                    |
| Sprint-2 | Cloud Storage                    | USN-9                   | As a user, I can upload my photo, resume and much more in the website.  | Medium   | I can Upload my documents and details    | Neha, Dhanshree                                 |
| Sprint-2 | Chatbot                          | USN-10                  | As a user, I can ask the Chatbot about latest job openings, which will help me and show the recent job openings based on my profile | High     | I can know the recent job openings       | Geathara Gowri,<br>Jashima Fathima,<br>Jaishree |
| Sprint-2 | Identity-Aware                   | USN-11                  | As a User, I can access my account by entering by correct login credentials. My user credentials is only displayed to me.           | High     | I can have my account safely             | Neha, Dhanshree,<br>Jashima Fathima             |
|          |                                  |                         | Submission of Sprint-2  |          |  |   |

| Sprint   | Functional<br>Requirement (Epic) | User<br>Story<br>Number | User Story / Task   | Priority | Acceptance criteria                              | Team Members                              |
|----------|----------------------------------|-------------------------|---|----------|--|---|
| Sprint-3 | Learning Resource                | USN-12                  | As a user, I can learn the course and I will attain the skills which will be useful for developing my technical skills. | High     | I can gain the knowledge andskills               | Geathara Gowri,<br>Jaishree,<br>Dhanshree |
| Sprint-3 | Docker                           | USN-13                  | As a user, I can access the website in any device   | High     | I can access my account in anydevice             | Jaishree<br>Gethara<br>Gowri,<br>Neha     |
| Sprint-3 | Kubernates                       | USN-14                  | As a user, I can access the website in any device   | High     | I can access my account in anydevice             | Dhanshree, Jaishree,<br>Jashima Fathima   |
| Sprint-3 | Deployment in cloud              | USN-15                  | As a user, I can access the website in any device   | High     | I can access my account in anydevice             | Gethara Gowri,<br>Neha,<br>Dhanshree      |
| Sprint-3 | Technical support                | USN-16                  | As a user, I can get a customer care support from the website which will solve my queries.                              | Medium   | I can tackle my problem &queries.                | Jaishree,<br>JashimaFathima,<br>Dhanshree |
|          |                                  |                         | Submission of Sprint-3  |          |  |   |
| Sprint-4 | Unit Testing                     | USN-17                  | As a user, I can access the website without any interruption  | High     | I can access the website withoutany interruption | Neha,Jashima<br>Fathima                   |
| Sprint-4 | Integration testing              | USN-18                  | As a user, I can access the website without any interruption  | High     | I can access the websitewithout any interruption | Jaishree,<br>Gethara Gowri                |

| Sprint                             | Functional<br>Requirement (Epic) | User<br>Story<br>Number                                      | User Story / Task  | Priority  | Acceptance criteria                               | Team Members              |
|------------------------------------|----------------------------------|--|--|---|---|---------------------------|
| Sprint-4                           | System testing                   | USN-19   | As a user, I can access the website without any interruption | High  | I can access the website without any interruption | Dhanshree,Jashima fathima |
| Sprint-4                           | Correction                       | USN-20   | As a user, I can access the website without any interruption | High  | I can access the website without any interruption | Neha,Jaishree             |
| Sprint-4 Acceptance USN-21 testing |                                  | As a user, I can access the website without any interruption | High   | I can access the website without any interruption | Dhanshree,<br>GetharaGowri,                       |                           |
|                                    |                                  |  | Submission of Sprint-4                                       |   |   |                           |

## **Sprint Delivery planning:**

Project Tracker, Velocity & Burndown Chart: (4 Marks)

| Sprint   | Total Story<br>Points | Duration | Sprint Start Date | Sprint End Date<br>(Planned) | Story Points<br>Completed (as on<br>Planned End Date) | Sprint Release<br>Date (Actual) |
|----------|-----------------------|----------|-------------------|------------------------------|---|---------------------------------|
| Sprint-1 | 20                    | 6 Days   | 24 Oct 2022       | 29 Oct 2022                  | 20  | 29 Oct 2022                     |
| Sprint-2 | 20                    | 6 Days   | 31 Oct 2022       | 05 Nov 2022                  | 20  | 05 Nov 2022                     |
| Sprint-3 | 20                    | 6 Days   | 07 Nov 2022       | 12 Nov 2022                  | 20  | 12 Nov 2022                     |
| Sprint-4 | 20                    | 6 Days   | 14 Nov 2022       | 19 Nov 2022                  | 20  | 19 Nov 2022                     |

### **Velocity:**

Imagine we have a 10-day sprint duration, and the velocity of the team is 20 (points per sprint). Let's calculate the team's average velocity (AV) per iteration unit (story points per day)

$$AV = \frac{sprint\ duration}{velocity} = \frac{20}{10} = 2$$

### **Burndown Chart:**

A burn down chart is a graphical representation of work left to do versus time. It is often used in agile software development methodologies such as Scrum. However, burn down charts can be applied to any project containing measurable progress over time.
